Time sure flies! I cannot believe it is already March and many of us are starting to think about our trip home.

Going Home

- Pick up an instruction sheet in the library on how to summerize your park model or RV
- You may wish to make arrangements for someone to check your residence during the summer months at regular intervals.
- The For Sale/Rent notices in the breezeway will be taken down at the end of the season. Anyone wishing to place a notice for next season please see Yasika in the office.
- Arrange to have your mail forwarded from Blythe to your home.
- Please spray your lot with weed killer—it will look a lot nicer when you come back.
- For non USA citizens the Form 8840 (Closer Connection Exception Statement for Aliens) can be download from <https://www.irs.gov/pub/irs-pdf/f8840.pdf>

Regular Events

- The regular events will be winding down in March, depending on the dates people leave. Please communicate amongst yourself in regards to dates of the last event.

Garbage

- Please remember that garbage such as bush/tree trimmings, Styrofoam and dry goods can be dumped in the trailer on Lot 210.
- any small appliances you wish to discard, please put them off to one side of the trailer in Lot 210, to make it easier for Rudy to dispose of them

Recycling

- **NEW NEW - Old Appliances** such as refrigerators, washing machines, stoves, mattresses, etc. can now be dropped off in LOT 210 for recycling. The recycling place asked us to mark each appliance **VERY CLEARLY WITH 3410 N Arrowhead Blvd. And YOUR LOT NUMBER.**
- **New PA System** – Recycling helps our park so much. Did you know that the new PA system for our Park was bought entirely form recycling funds. **THANK YOU RECYCLING COMMITTEE**

Have a safe journey home and see you all in the fall
