Open Forum:

Carol Thachyk asked for some clarification about what can and cannot be recycled. Long story short, recycle any plastic with a CA-crv on it, Beer cans and beer bottles. All other liquor bottles, wine bottles go in the trash.

Joanne Mawhinney asked who would count ballots. Answer is Roger Handley at the AGM, Feb 13.

Barry Carter asked for clarification on the voting process. Clara answered: there are 2 envelopes in your package. One with your name and lot number, one blank. Vote for 2 people, place your ballot in the blank envelope, seal it and place that in the envelope with your name and lot number on it. Seal, sign the envelope and deposit it in the ballot box in the office before Feb. 9 at 3:00. One lot, one ballot.
