

RANCHO VENTANA R.V. RESORT

STATEMENT OF COMPLIANCE

By signing this statement of compliance we and our contractor hereby agree to conform to all aspects of the Rancho Ventana Architectural Rules and Regulations as they pertain to our development permit application #_____.

1. Owners are reminded that any contractor or supplier of materials to your lot enters the Park by your authorization and is in fact your guest. As such, it is your responsibility to ensure that they obey all park rules and regulations.
2. When the work outlined on your development permit is completed, the Owner is to contact the Office who will have an Architectural Committee Member attend the jobsite for inspection of the work done. If in compliance to the Architectural Rules and Regulations, an Architectural Committee member and a Board Member will sign the development permit application as being complete.
3. If the work is not in compliance to the Architectural Rules and Regulations, the Owner will make the necessary changes as outlined by the Architectural Committee Member(s) in a timely manner and then follow Item #2 until satisfactorily completed and signed off.
